Dear Pastor,

It is my privilege to introduce to you Bro. Michael Andrzejewski and Family missionaries to Portugal. Bro. Michael and Sis. Nina have served God faithfully in every area that He has directed them. They have always had a heart for missions and missionaries and have been active in faith promise. They have always believed that the Lord would use them in the area of missions. This desire for missions is born out of a deep desire to see the gospel preached and souls saved. They served faithfully at Living Waters Youth Camp in Hayden, Alabama for three years depending solely upon the Lord for their provision. Bro. Michael was then directed to take the pastorate of Living Waters Baptist Church in Lagrange, Georgia where the Lord blessed with souls saved, increased membership, and increased missions giving.

Bro. Michael is a strong preacher and wonderful Bible teacher with an evangelistic zeal. Both Bro. Michael and Sis. Nina are people of character and compassion. They are people of prayer and great faith. They have been prepared and tested. They are leaders and have learned to lead thru service. They are indeed ready to go and preach the gospel to the Portuguese people.

Bro. Michael's last day at Living Waters Baptist Church was October 15th, 2006. Since then they have moved to Henderson, Tennessee to work under the authority and direction of Milledgeville Baptist Church and we have asked the Lord to raise their support by January of 2008. This is a very ambitious goal but is more than attainable with your prayers, help, and financial consideration. There are 11,000,000 people in Portugal and only 11 independent Baptist missionaries. Over 95% of the population claim to be Catholic.

In closing would you prayerfully consider having Bro. Michael and his family in your services. They will be a blessing and encouragement to your church family. I know that once you meet this fine family you will see the great need to get them to Portugal as soon as possible.

For Christ Alone,

Bro. Chad W. Sellers
Pastor
